

**AIR QUALITY PERMIT NOTICE**  
Draft Title V/Synthetic Minor Permit  
Grane Creek, LLC – Henderson Generating Station  
Plant I.D. # 21-101-00131  
Application Log # G549

The Grane Creek, LLC of 13880 Dulles Corner Lane, Herndon, Virginia has applied to the Kentucky Division for Air Quality for a permit to construct and operate a simple cycle gas-fired combustion turbine peaking station for electricity generation, to be located on State Highway 2097, in Henderson County Kentucky. The plant will produce electricity for periods of peak demand and will emit criteria and hazardous air pollutants. The plant has chosen to implement an emissions cap for nitrogen oxides and carbon monoxide to preclude applicability of State Regulation 401 KAR 51:017, Prevention of Significant Deterioration (PSD) of air quality. This permit is federally-enforceable to ensure the tracking of emissions of nitrogen oxides and carbon monoxide, and to assure compliance with the emission caps by monitoring operating conditions and performing periodic performance tests. The natural gas fuel sulfur content is also limited to preclude Regulation 401 KAR 51:017. The plant is classified as a Title V major source due to its emissions of criteria regulated air pollutants. Additionally, the Kentucky Division for Air Quality is proposing to issue a draft Acid Rain phase II Permit to Grane Creek, LLC in accordance with the Title IV, Acid Rain Program (40 CFR parts 72 and 76). The designated representative for the plant is Mr. Frank Schneider.

Copies of the Division's draft permit and supporting information are available for inspection by the public during normal business hours at the following locations:

Division for Air Quality, 803 Schenkel Lane, Frankfort, KY 40601,  
Division for Air Quality Owensboro Regional Office, 3032 Alvey Park Drive W,  
Owensboro, Kentucky 42303, and  
The Henderson County Clerk's Office, Wilma G. Martin, PO Box 374, Henderson, KY  
42419-0374

The Kentucky Division for Air Quality is soliciting comments on the draft permits and has scheduled a public hearing at 6:30 p.m. on July 19, 2000 in the Fiscal Courtroom, at the Henderson County Courthouse. The public hearing will be held only if one is requested in writing. To be considered, any written comments or requests for a public hearing must be postmarked within 30 days following the date of this notice. U.S. EPA is reviewing this draft permit and has 45 days following the date of this notice to submit comments. Comments and/or public hearing requests should be sent to Mr. Bryan Handy at the above Frankfort address. Any person who requests a public hearing must state the issues proposed to be raised in the hearing. If the division finds a hearing will contribute to the decision-making process by clarifying significant issues affecting the draft permit, the hearing will be held. All relevant comments will be considered in issuing the final permit. Further information can be obtained by calling Mr. Handy at (502) 573-3382.

The Commonwealth of Kentucky does not discriminate on the basis of race, color, national origin, sex, religion, age or disability in employment or the provision of services and provides, upon request, reasonable accommodation including auxiliary aides and services necessary to afford individuals an equal opportunity to participate in all programs and activities. Materials will be provided in alternate format upon request.
